

# LIBRARY HOURS

## What's YOUR choice?

Our neighborhood libraries will be open 24 hours per week this year. To have a say about *which* hours and *which* days, come to the Library Commission Meeting on Tuesday, September 9th, in the second floor hearing room, City Hall. When setting the library schedule, the Commissioners are expected to take into account *both* the survey that was done last year by UMass of our –Springfield residents’– preferred days and hours for open libraries *and* the statements we make on the spot at the meeting on September 9th. So if you weren't surveyed, or you've changed your mind—this is your chance!

- To get a copy of the UMass survey, call 746-5512 or email library commission chair Pat Markey at [markeyjenn@aol.com](mailto:markeyjenn@aol.com)
